What would you like help with today? Organizing my writing

Send report to instructor? Yes

If not, what is your first language? Sinahala

Session Report Today, the writer came into the Writing Commons with a research paper discussing the different classification methods of poisonous mushrooms. We read through the first half of her paper and discussed some ways she could improve the flow of her sentences, and resolved some grammar issues with commas and periods. Attached to this session report is an external source the writer can use to their discretion.

https://www.grammarly.com/blog/sentence-structure/

Thanks for coming into the Writing Commons, and have a good day!
